**NATIONAL ASSOCIATION OF PROFESSIONAL ORGANIZERS OF
WASHINGTON, DC METRO AREA ANNOUNCES OUR CORPORATE PARTNER OF THE
YEAR!**

Washington, DC – May 16, 2008 – The Washington, DC Metro Chapter of the National Association of Professional Organizers (NAPO-WDC) is pleased to announce that **COLLEGE HUNKS HAULING JUNK** is the winner of our inaugural “Corporate Partner of the Year” award.

The chapter members chose the Corporate Partner of the Year because they found their company reliable, helpful when on the job working with clients, and eco-friendly. The members felt Nick Friedman, President of College Hunks Hauling Junk connected with our members by having a presence within the chapter, attending chapter meetings, speaking at meetings, writing articles and advertising in the newsletter. They also sent mailers offering discounts to our clients as well as referrals fees for sending clients to their company. Ultimately, NAPO-WDC members felt this Corporate Partner showed a genuine interest in forming a mutually beneficial business relationship with our members.

In response to receiving the award, Nick Freidman, President of The Company responded; “College Hunks Hauling Junk has really benefited from our partnership with NAPO and the organizers. It is a natural synergy. They help people get organized and we take care of the recycling and disposal of unwanted items. The natural partnership will continue to flourish for years to come.”

The National Association of Professional Organizers (NAPO) is a premier nationwide organization of over 4,000 members dedicated to developing, leading, and promoting Professional Organizers, and defining high quality standards for the organizing profession.
