PRESS RELEASE

NAPO-WDC Announces 2009 Corporate Partner of the Year

Washington, DC – June 10, 2009 – The Washington, DC Metro Chapter of the National Association of Professional Organizers (NAPO-WDC) is pleased to announce that Junk in the Trunk Removal Services has been awarded the 2009 Corporate Partner of the Year award.

NAPO-WDC members choose the Corporate Partner of the Year based on three criteria: (1) reliability, (2) customer service, and (3) eco-friendly practices. The members specifically noted that Linden Coyne, owner of Junk in the Trunk, cultivated positive working relationships with them, maintained a consistent and strong presence at chapter meetings, and contributed to the NAPO-WDC listserv and newsletter. One member was quoted saying "Junk in the Trunk has been the most responsive corporate partner that I have worked with. They are courteous and careful - which has been key for my clients," and another mentioned that they are "more green and responsible about the dispersal of the 'junk' they haul."

NAPO-WDC members felt Junk in the Trunk showed a genuine interest in forming mutually beneficial business relationships with chapter members and their clients, and therefore, is fully deserving of this honor.
